POSTMARK NOVEMBER 30, 2018

This program was developed so that an aspiring artist will truly be
able to experience the opportunity to showcase their work and
interact with the public on a personal basis. This is intended for artists
that have not yet experienced contact with the public. Three artists
will be chosen to participate and will be notified of their acceptance. A
tent will be provided, but the artist must provide their own display
tables, chairs, walls, etc.
